Dear Paul,

On behalf of The Brookline Firefighters Local 950 IAFF, I am proud to inform you that you have the endorsement of this local voted unanimously on this date at our monthly union meeting.

We are proud to be the second local union behind the Brookline Police Union to endorse you. We will also be pursuing to have The Professional Firefighters of Massachusetts endorse you on February 17, 2023.

Your long-standing dedication to the Town of Brookline in many roles and creating a path to a select board candidacy has not gone unnoticed.

Like many town employees, Brookline Firefighters take our public service very seriously to provide the safest living and working conditions for those we are sworn to protect. Your words of support towards us, your detailed priorities to re-establish Brookline as a leading employer and destination community for all to work, live and visit is a breath of fresh air.
